Dear Bin,

Re: Computer Applications Development (Cooperative Education)

Dean's Honour List

I am pleased to inform you that based on your academic performance in the above program, you have achieved the status of Dean's Honour List.

This recognition is awarded upon completion of an academic year for students registered in diploma/degree/graduate certificate programs that are two or more semesters in length. The Dean's Honour List indicates that you have attained an average of 80% or greater for courses in your program design with no course mark less than 70% and no failed courses in the academic year.

This letter serves as official recognition of your accomplishment. On behalf of your program administrators and faculty, I congratulate you on your achievement.

Sincerely,

Julia Biedermann, Ph.D., P.Eng.
Executive Dean
School of Engineering and Information Technology
Trades and Apprenticeship and Institute of Food Processing
